

Defect Report

ID: OrangeHRM-01

Summary: Leave page - Apply section allows submission with special character and number in comment field. Apply process is successful with this kind of invalid comment.

Environment: Production

URL: <https://opensource-demo.orangehrmlive.com/web/index.php/auth/login>

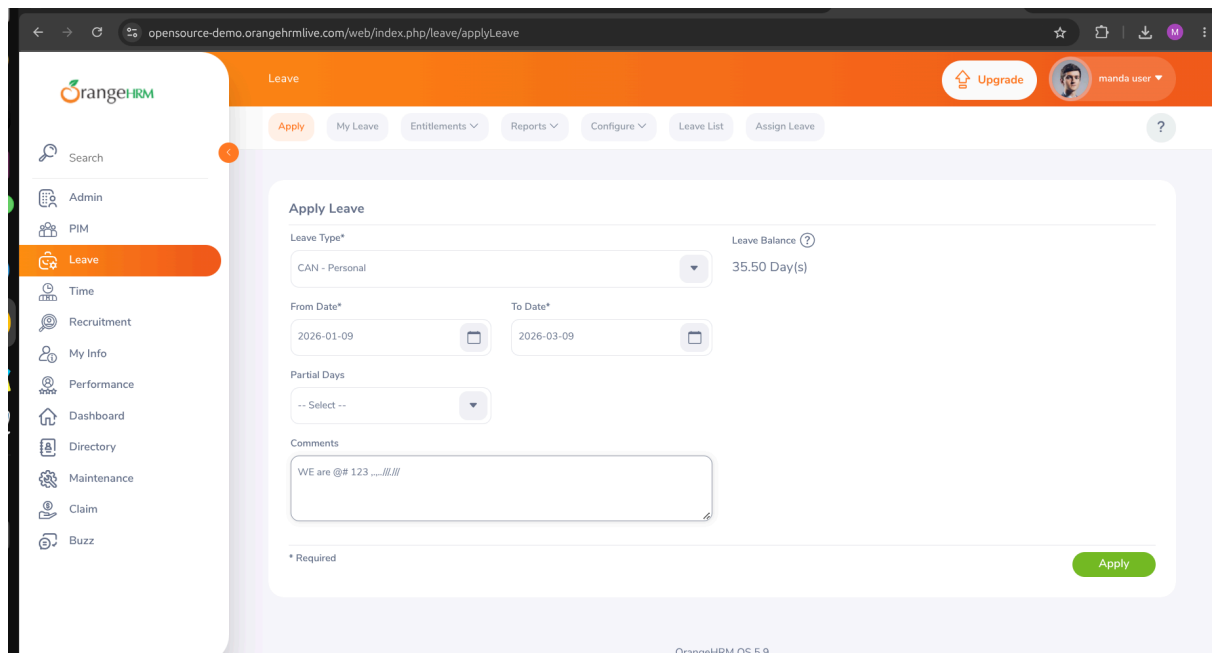

Steps to Reproduce:

1. Log in with valid credentials.
2. Navigate to Leave - Apply Leave.
3. Select valid leave type and date range.
4. In the Comment field, enter invalid input such as 12345 @@@ ###.
5. Click Apply.

Actual Result: Leave request is submitted successfully with invalid comment input (numbers and special characters).

Expected Result: The system should restrict invalid input and display an error message (like: "Comments must contain alphabetic characters only").
